Dear Lawrencians and Parents,

Hope and pray that you are keeping well and safe.

The lockdown started in March (2020) and we started our online classes from April. For the benefit of our students initially we covered the First Semester curriculum through video clips (as recommended by the Educationists) as well as worksheets and study material. So far we have provided over 9,400 study materials. I would like to thank our teachers and the support team for their hard work.

From Monday the 13th of July, 2020 onwards we will start Online classes (Live Classes) cum Clarification sessions, during which teachers will take classes and students can clarify their doubts (on the topics covered so far) and other queries. The sessions will be from Monday to Friday. It will begin at 10 in the morning everyday covering three subjects in a day. I am sure you will find it useful. We are trying our best to ensure that Lawrencians are benefited to the hilt by various ways such as Online classes, mental health, physical fitness etc.,.

The Schedule and other details will follow shortly.

Keep well and stay safe.

For God and Country

Fr. Sebastian James, SJ
Principal
