NOTICE TO PARENTS OF CLASSES 1 TO 10

As per the High Court Order dated 13th October 2020, the revised tuition fees and session fees, of 80% of the last academic year, is effective from the month of April 2020. Considering the volume of the students and the calculations involved, it will take some time for our accounts department to finalize the amount, if any, that needs to be adjusted for each student. Accordingly, you are hereby notified that those who have already paid fees (Session and tuition fees till October 2020) are not required to pay any fees until further order in this regard. For clarification, you may contact the accounts department by the school number, during school hours only.
