PARENT COUNSELLING WEBINAR - 2021

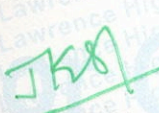

Childhood and adolescence are the most important developmental stages of human beings. They mark the beginning of an individual's learning, varied experiences, successes, failure's and exploring opportunities. Parents and the home environment play an integral role in this stage. The pandemic has brought in a whole new set of challenges to human beings

The Online Webinars for Parents are geared to assist you in nurturing a healthy mind and behaviour. Our School Counselor, Mrs Shubhika Singh will equip you with simple strategies to overcome parenting challenges and get the best from your own child.

Please find the schedule below for Secondary and Higher Secondary Sections:
