**A JESUIT CHRISTIAN MINORITY INSTITUTION**

11<sup>th</sup> July 2021

Dear Lawrencians,

Mr. Mrinal Dhote, a SLOBA member of our School, has composed the School Anthem. The melody that is given to our School Anthem has transformed it into a nutritious honey that unites us as one body, bringing the best out of us and march us forward to sacrifice ourselves For God and Country.

I thank him and all the members who labored hard to bring life to our School Anthem.
