LOYALTY      RESPECT      LOVE      COURAGE      HELPFUL      TRUTH  
 HUMANISM      SHARING      TRUST      KIND

## SECTION – B

5. a. The poet in the poem seeds gives us the example of the determination of the seeds. The poet tells that though the seeds are thought to be weak but in reality they are very strong because they have the determination to make space for themselves and survive. The poet tells us that even the smallest of stones seems to be very big for them but still the seeds removes such obstacles and survives for themselves.
- b. The mirror reflected a sad expression because it showed a person's real feelings and not the fake ones. Bruce even though he had everything, he was not happy from within and so the mirror had a sad reflection.
- c. Guru Nanak was a great saint who taught the people to love one another. He travelled far and wide, spreading his message of love, unity and peace.
- d. One afternoon, Bruce went out to play. On his way to the playground he saw a small boy crying loudly. On enquiry Bruce got to know that this boy was lost and he was unable to find his parents.
- e. The seeds teach us a very important lesson in our lives. We may face many problems in our lives, but we must be strong enough to face them boldly and come out victorious. They tell us that real strength lies in having a strong will power.

## Section-C

6. a. The mirror taught Bruce that inner happiness lies within a person and it can only be experienced when we make others happily. Bruce realized that helping the boy had made him experience true joy and happiness.
- b. By saying the above words, Guru Nanak meant that there is always room for improvements. If there was already a priest who taught people good qualities, Guru Nanak could have been the improvement who could have taught better qualities of goodness compare to the priest.
- c. According to the story when Sanghamitra's love for animals made a deep impact in the mind of this young man he realized that he had an inhuman feelings whereby he was ready to kill another human being. On the other hand Sanghamitra showed deep love and concern for an animal who was not even her pet. This act of Sanghamitra changed the thoughts of this young man to such extent that he realized his mistakes and he did not want to kill Sanghamitra any more
- d. For helping my parents I can do the following:  
1) Understand them; 2) Spend some time with my parents; 3) Show gratitude to them; 4) Share their problems; 5) Do little things for them; 6) Never argue with my parents; 7) Do well in school; 8) Apologies when I step out line.
- e. The following things I want to share with others:  
1) My all positive thinking regarding my life; 2) My good feelings about any person; 3) Any knowledge that I got which is very useful; 4) I want to share about any good book which I read recently; 5) I want to share about any information that can increase my moral value as well as moral values of that person.
- f. Guru Nanak teaches us the beautiful message of peace, love and unity. In our daily lives as well we can follow these three teachings in an effective manner. We can all stay together united following the principles of brotherhood and understanding for each other if such teachings are followed in our daily lives the world will be more peaceful and it will not be broken into small fragments.
- g. If my friend got low grades in a class test I will do the following things with my friend:  
1) Being supportive; 2) Share a story of how he can overcome adversity; 3) Offer to help however I can; 4) Remind him about other talents; 5) I will tell him that his grade is not a reflection of who is he as a person; 6) Help him for setting realistic goals; 7) Recommend that my friend start communicating with teachers.
- h) For showing kindness for poor people the following things I can do:  
i) I can request my parents to celebrate my birthday with the poor people and give them food and other necessary requirements.  
ii) If I have some clothes which I am not using must give to those people if the conditions of those clothes are good.  
iii) I must request to my parents to help them as good as possible within their limits.
