Worksheet – 21
TOPIC: PREPOSITIONS
2ND TERM

Subject: **English Grammar**

Class: **1**

16.06.2020

Underlined words here in the sentences below tell us about the position or direction of something. The word that shows the relationship between NAMING WORDS, PRONOUN and other words in the sentence is called PREPOSITION. They can be called PLACED WORDS because they often tell us the position of things.

The box is on the table.

“On” is used to state surface of something.

The cat is under the table.

“Under” is used to indicate something exactly below it.

Fruits are in the basket.

“In” is used to indicate within or inside anything.

The boy is behind the tree.

“Behind” is used to point something at or toward the back of something.

The girl is standing next to the computer table.

“Next to” is used to point out position right beside somebody or something.

They are standing in front of the blackboard.

“In front of” is used to indicate position just ahead of something or somebody.

Sheep are jumping over the fence.

“Over” is used indicate something extending directly upwards from something
