

# ST. LAWRENCE HIGH SCHOOL

A JESUIT CHRISTIAN MINORITY INSTITUTION

Sub: LIFE SCIENCE

Class: VIII Date: 18.05.2020

## Chapter- 5-The Nervous System

FM: 15

### WORKSHEET – 30

(1x15=15)

- i) The part of the brain that connects the forebrain to the hindbrain is  
(1) Hypothalamus      (2) Thalamus      (3) Midbrain      (4) Brainstem
- ii) Which of the following is a function of the midbrain?  
(1) Limb movements      (2) Hearing      (3) Speaking      (4) Eye adjustments
- iii) The posterior pair of the brain is called  
(1) Midbrain      (2) Forebrain      (3) Hindbrain      (4) Cerebral cortex
- iv) The hindbrain is located below  
(1) Midbrain      (2) Forebrain      (3) Spinal Cord      (4) None of these
- v) Which of the following is not a part of the hindbrain  
(1) Cerebellum      (2) Pons      (3) Medulla      (4) Thalamus
- vi) The second largest part of the brain after cerebrum is  
(1) Pons      (2) Medulla      (3) Cerebellum      (4) Hypothalamus
- vii) The surface of cerebellum is different from cerebrum as the grooves are  
(1) Thinly spaced      (2) Parallel      (3) Regular      (4) All of these
- viii) The upper layer of cerebellum has  
(1) Grey matter      (2) White matter      (3) Black matter      (4) Brown matter
- ix) Which of the following is present between Cerebellum and upper part of medulla oblongata?  
(1) First Ventricle      (2) Second Ventricle      (3) Third Ventricle      (4) Fourth Ventricle
- x) The fourth ventricle is filled with  
(1) Cerebro Spinal Fluid      (2) Synovial fluid      (3) Amniotic Fluid      (4) Tissue Fluid
- xi) The fourth Ventricle is connected to the third Ventricle by a thin  
(1) Vessel      (2) Duct      (3) Tube      (4) Nerve
- xii) Which of the following is not a function of cerebellum?  
(1) Maintains posture      (2) Helps in learning new movements      (3) Coordinates Voluntary movement  
(4) Thinking
- xiii) Vomiting is controlled by-  
(1) Thalamus      (2) Medulla oblongata      (3) Pons      (4) Cerebellum
- xiv) Pons lies above-  
(1) Hypothalamus      (2) Cerebrum      (3) Hypothalamus      (4) Medulla
- xv) Which of the following is not a part of the brain stem  
(1) Midbrain      (2) Cerebellum      (3) Pons      (4) Medulla
