**ANSWERS - WORKSHEET – 13**

---

**Answer the following questions:**

Q1) What did Nikhil do to help the old man?

**A1) As he heard the plight of the old man, Nikhil ran down the road following the direction given by the old man to trace the bullock. After a long run he came to a fruit stall on wheels. He saw the bullock there eating bananas. He caught hold of the rope and started pulling the bullock along the road. Seeing this, many others started chasing Nikhil, thinking he was a thief. He ran frantically but at last was caught up by the people.**

Q2) Who all chased Nikhil and why?

**A2) Seeing Nikhil running away with the bullock, people thought he was a thief. So first the fruit-seller chased him and asked him to stop. Nikhil ignored his call and kept running, dragging the bullock behind him. At this point a policeman along with the bystanders also started chasing Nikhil.**

Q3) What kind of a boy was Nikhil?

**A3) Having read the story, Nikhil appears to be a nice boy. He was willing to come to the aid of others, even if that meant putting himself in trouble. Though he was helpful, he was impulsive too. He did not stop to think before taking any action.**
