A JESUIT CHRISTIAN MINORITY INSTITUTION

27, BALLYGUNGE CIRCULAR ROAD

Sub: Arithmetic

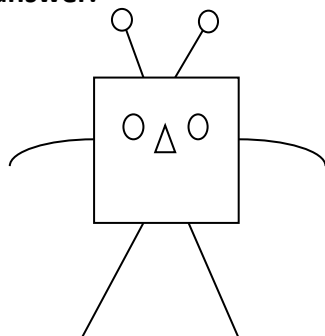

Answer Worksheet 21

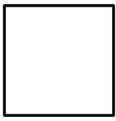

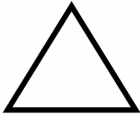

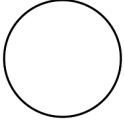

Class : I

Topic: Shapes, Lines and Patterns

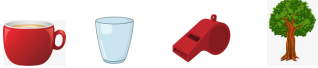

Date : 30.04.2020

1. Count and write the answer.

- a.  1 b.  1 c.  4
- d. Straight line 4 e. Curved line 2

PATTERNS are designs -shapes, lines and objects are used.

- We are shapes: 
- We are lines: 
- We are objects: 
- Shapes, lines and objects are repeated at regular intervals to make patterns.
- Patterns are repeated designs that follow the same arrangement.
- Patterns help to identify the shapes, lines and objects.
- Patterns allow to focus and improve attention.

2. Draw the next four to complete each pattern.

- a.            
- b.  =  =    
- c.  ⊕  ⊕    ⊕  ⊕
- d.        
- e.        

3. Complete the patterns in the blank space.

a.     _____  _____  _____

b.     _____  _____  _____

c.     _____  _____  _____

d. I II III I _____ II _____ III _____

e.  _____   _____ _____  _____
