Mary loves animals and starts playing with them when she sees them. She feels sorry for the dog on the road as it is lonely and got no friends. Mary brings the stray dog home and plays with it. Every time she sees any stray animal, she brings it home to take care of it. Mary would bring a cat or a dog home. Her mother was shocked to see so many animals in the garden. She was not happy about it at all. She told Mary to take all the animals away from the garden. Mary took all the animals and put them in a shelter. She missed them a lot.
