A. Write 10 lines on the topic 'If I were a tree'.

Here are a few hints which can help you while writing

1. Why do you want to be a tree?
2. What kind of tree would you like to be?
3. What can you do by being a tree?
4. Where would you want to be a tree?
5. How will you be different from other trees?

Trees are my favourite. If I were a tree, then I would have been a mango tree.

I would not have to worry about eating food or waking up early in the morning.

Being a tree is an important job to do. I would have provided shade to people

and allow nests to be built. I would have a lot of fruits on me and children

would try to climb and play around me. I could help by making the place cooler

and bringing more rain. I would have given fresh oxygen and helped others by

allowing them to make paper or furniture. I would dance to the tune of the

breeze and the rain would wash me clean. I would relax and watch everyone

from above as I would be tall and huge. Same time, I would want to have more

friends so I would ask mankind to keep planting more trees.
