I go to school from Monday to Friday. When the alarm clock rings, my mother or father wake me up for school. I have to wake up every morning at 6 o'clock I love to sleep so I do not like to get up so early in the morning. I get down from the bed and brush my teeth. I have a bath and wear my school uniform. As I get ready, I have my breakfast and get ready to leave for school. I have porridge or sandwiches for breakfast My father packs my bag and my mother makes my tiffin for school. My house is near to school so I walk and go to school with my father.
