My favourite Sport

Every sport is a fun activity that keeps us healthy and fit. Football is my all-time favourite sport. Playing football is enjoyable and refreshing. I am filled with excitement with the sound of a cheering crowd when I score a goal. We have to work really hard to score a goal so it gives me great joy when I succeed. However, football is not only about scoring. We also have to know the skills of stopping our opponent from scoring a goal, passing the ball to our team mates, etc. So football also teaches me about team work and team spirit. I also enjoy watching my favourite footballer 'Lionel Messi' playing football.
