Second Term

Answer Worksheet Number-16

Twenty Froggies went to School

Sub: EnglishText

Class: 3

Date: 29.09.20

1. Answer the following questions:-

a. Write the first stanza of the poem. What is the first stanza talking about?

Ans. Twenty froggies went to school

Down beside a rushy pool;
Twenty little coats of green,
Twenty vests all white and green.

The first stanza talks about the school and they uniform.

b. Write the summary of the poem 'Twenty Froggies went to school?'

Ans. The poem tells us about twenty froggies who go school beside a busy pool. The uniforms they wore were white and green in colour. They were on time for they classes. They knew when to study and when to play. They Master Bullfrog was they teacher. He taught them leap, dive, to say 'KER-CHOG' and to dodge the sticks thrown by the bad boys. They froggies grew up fast and were well polished. They were now teaching other little frogs.

c. Write the fifth stanza of the poem. What does the word 'dunce' mean?

Ans. Twenty froggies grew up fast;
Bullfrogs they became at last.
Not one dunce was in the lot,
Not one lesson they forgot.

The word 'dunce' means someone who is foolish.

d. Write five sentences about a frog in own words.

Ans. Frogs are amphibians who live both on land and in water. Some frogs have smooth wet skin while some frogs have dry rough skin. Frogs cannot survive in salt water. They usually hatch as tadpoles from eggs, which are laid by a female frog. Adult frogs can jump up with their legs. The fullygrown frog has long legs and no tail.
