Paragraph Writing

1. Write ten sentences on 'TEACHERS' DAY'.

Model Paragraph

We celebrate Teachers' Day on 5th September every year in India. It is the birth anniversary of Dr. Sarvapalli Radhakrishnan. Dr Sarvapalli Radhakrishnan was the second president of India, who started his career as a teacher. Teachers' Day is celebrated as a mark of respect for our teachers. On this day we remember the contributions and hard work of our teachers towards our society. We celebrate this day by greeting our teachers with flowers, we make cards and write messages thanking our teachers. We even have a cultural programme for our teachers. We prepare songs, dance and poems dedicated to our teachers. We like our teachers because they always encourage us to be the best. Along with studies, they love us and we have lots of fun with them.
