

ST. LAWRENCE HIGH SCHOOL

CLASS X

Subject: English Answer Key

Worksheet: 11

CHAPTER: Tenses

Date: 18.04.2020

Tick the correct answer for the following Questions:

1x15=15

Sandra Fisher, 53, **speaks** 42 languages. As well as **speaking** her native German and English, she **picked** up the Italian and Greek **spoken** by immigrants in her home town; she also quickly **learned** the Aboriginal language **spoken** by the Coorie children at her primary school. She can't explain how she **manages** to do this. She **says** that she only **has** to listen for a few minutes before she **starts** speaking.

Gulliver **was taken care of (1)** in the farmer's house by his nine year old daughter who **arranged (2)** for his sleeping and clothing and also **taught (3)** him their language. As word spread that the farmer **had found (4)** a strange animal in the field, people **became (5)** curious and a friend **suggested (6)** to the farmer that Gulliver should be displayed on market day.

JANE ROZARIO.
