| TOPIC: CONJUNC  | FIONS                                 | DATE                  | :16.11.2020    |  |  |
|---|---------------------------------------|-----------------------|----------------|--|--|
| A. Answer the following questions by choosing the correct option: 1x15=15 |                                       |                       |                |  |  |
| 1. I will not leave   | 1. I will not leave it stops raining. |                       |                |  |  |
| i. because  | ii. as                                | iii. until            | iv. that       |  |  |
| 2. Do not run   | you will fall.                        |                       |                |  |  |
| i. therefore  | ii. as soon as                        | iii. either           | iv. or         |  |  |
| 3. The coat cannot be   | e mine it is to                       | o big for me.         |                |  |  |
| i. till   | ii. as                                | iii. but              | iv. because    |  |  |
| 4. I will note it down I should forget.                                   |                                       |                       |                |  |  |
| i. unless   | ii. because                           | iii. lest             | iv. soon       |  |  |
| 5. He could not get a seat he came early.                                 |                                       |                       |                |  |  |
| i. since  | ii. and                               | iii. still            | iv. though     |  |  |
| 6. She was  | beautiful                             | intelligent.          |                |  |  |
| i. althoughso   | ii. ornor                             | iii. not onlybut also | iv. ifnot      |  |  |
| 7. I will   | obey you quit.                        |                       |                |  |  |
| i. eitheror   | ii. neithernor                        | iii. soas             | iv. hardlywhen |  |  |
| 8. Hurry up   | you will be late.                     |                       |                |  |  |
| i. although   | ii. almost                            | iii. yet              | iv. or         |  |  |
| 9. I make it a point to visit Taj Mahal I go to Agra.                     |                                       |                       |                |  |  |
| i. when   | ii. because                           | iii. since            | iv. so         |  |  |
| 10. I did my homework cleaned my room.                                    |                                       |                       |                |  |  |
| i. still  | ii. until                             | iii. and              | iv. whether    |  |  |

| 11 you get a first rank, I will buy you a bicycle. |                 |                 |            |  |
|--|-----------------|-----------------|------------|--|
| i. Since   | ii. Though      | iii. If         | iv. As     |  |
|  |                 |                 |            |  |
| 12. I don't know                                   | she would come  | not.            |            |  |
| i. ifbut   | ii. sinceand    | iii. andnor     | iv. ifor   |  |
|  |                 |                 |            |  |
| 13. You must                                       | finish the work | leave now.      |            |  |
| i. hardlywhen                                      | ii. eitheror    | iii. neithernor | iv. sothat |  |
|  |                 |                 |            |  |
| 14. He overslept thus missed the train             |                 |                 |            |  |
| i. and   | ii. yet         | iii. so         | iv. for    |  |
|  |                 |                 |            |  |
| 15. James works hard his brother is lazy.          |                 |                 |            |  |
| i. so  | ii. but         | iii. when       | iv. nor    |  |
|  |                 |                 |            |  |
