Model Paragraph

Diwali or Deepawali is popularly known as the festival of lights. Diwali is one of the famous religious festivals in India. Although it is a Hindu festival it is celebrated by people of different religions with great joy. This festival is celebrated in the memory of lord Rama who returned to Ayodhya after fourteen years of exile. This festival signifies the victory of good over evil and triumph of light over darkness. We worship goddess Lakshmi and lord Ganesha on this festival. On this festival we light earthen oil lamps and decorate our houses with lights and rangoli. On this festival we also share sweets and gifts with our friends and neighbours. Children are very happy on this festival as they love bursting crackers and different fireworks along with their parents. Diwali is one of the most loved and enjoyable festivals of India.
