Dear Max,

I received your letter and it was nice to hear from you after such a long time. I wanted to tell you about how I spend my time at home during this quarantine.

I am enjoying the online classes but I really miss school and my friends. I also get busy with my lessons and worksheets. I have started spending my spare time on gardening. I am growing flowers and a few vegetables. My tomatoes are still raw and green. I can't wait for them to ripen. I love to take care of my plants and watch them grow beautifully. I also talk to my plants because it helps them to grow. I have grown very fond of gardening now.

I would like to know how you spend your time. I am eagerly waiting for your response.

Yours Lovingly
Sultan
