ANSWER: WORKSHEET- 19 2nd Term

Class: 3

Subject: SCIENCE

Date: 13.06.2020

SAFETY AND FIRST-AID

1. Fill in the blanks.

- First aid is the immediate help given to an injured person before the arrival of a doctor.
- An antiseptic substance is the one that prevents the growth of disease-causing germs.
- For a small cut we can put a band-aid.
- We must wash our hands before attending to the injured person, as we may pass on germs.
- It is important to wash the cut or wound under running water.
- Washing the wound helps to remove the dirt from the wound.
- We should follow safety rules at school, at home and on the road.
- We should always wear seat belts while travelling in a car.
- Always stand in a queue to board a bus.
- If the cut is deep, tie a bandage.
