12.05.2020

## A. Give the meanings of the following words:

1. Across = From one side to the other side of something.
2. Noise = It is a loud sound which causes pain in the ears.
3. Heavy = Something that has a lot of weight.
4. Shouts = Talking in a loud voice.

## B. Make sentences with the following words:

1. Sack = The mouse ran into the sack filled with cheese.
2. Noise = Minu made a lot of noise while climbing the stairs.
3. Heavy = He had a heavy bag of books to take home.
4. Road = We were driving through a narrow road.
5. Turning = She kept turning to see the dog in the car.
6. Side = The books were kept at the side of the bed.

## C. Name the following:

1. The man driving the auto – rickshaw = Raju
2. The person sitting in the auto – rickshaw = Mr. Bolu
3. A noise from the auto – rickshaw = Vroom / TakkaTakka
4. The animal at the side of the road = Dog
5. The animal on the wall = Cat
6. The person on top of a heap of sacks = Mr. Bolu
7. A vehicle that turned and stopped = Auto – rickshaw

**D. Answer the following questions below:**

Q1. Why did the dog open one eye?

- The dog opened one eye only because he was sleeping, and he had heard the auto – rickshaw coming towards him.

Q2. What made Raju laugh?

- Raju laughed when he had seen Mr. Bolu flying high in the air and landing on the top of a heap of sacks.

Q3. What happened to the auto – rickshaw and why?

- The auto – rickshaw turned and stopped because Raju was trying to drive away from the dog and not meet with an accident.
