## Paragraph Writing

1. Write ten sentences on 'My School Bag'.

### Model Paragraph

I have a blue school bag. It has an image of my favourite cartoon character Doraemon on it, which makes it look attractive. My parents had gifted this school bag on my birthday. My school bag has a lot of space in it. It has got two big pockets and few side pockets. I carry it daily to school. It is very useful as, I carry my text books, exercise books, lunch box, water bottle and pencil case inside it. It is even waterproof, which keeps my books and other belongings dry during monsoon. I have even labelled my bag so that, it is not easily misplaced in the class. I clean my school bag regularly, to keep it neat and tidy.
