A. Answer the following questions below:

Q1. How did the two men make a cut in the wood?

The two men pulled and pushed. They then pushed and pulled. They kept doing it until a deep cut was made in the wood.

Q2. Why did the two men put a wedge in the cut?

A wedge was put in the cut by the two men. They put a wedge so that no one would get hurt from the cut. Also, they did not want anyone to get their fingers or any piece stuck in the middle of the wood.
