Dear Uncle,

I was so excited to receive the birthday gift you sent me. The set of encyclopedia books were very useful.

During this quarantine, we are not allowed to play outside. So, I feel very bored at home. These new books are really interesting. It gives a lot of information and I am learning so many new facts. I loved the encyclopedia on science. It has so many easy and fun experiments and I have tried a few too. I really enjoy reading these encyclopedias.

I would like to thank you once again uncle. I hope to see you soon.

Please give my regards to aunt.

Yours Lovingly
Ankan
