## WORKSHEET- 3 1<sup>ST</sup> Term

Class:3

Subject: SCIENCE

Date:04.07.2020

---

### LIVING AND NONLIVING

1. Answer the following questions.

a. What is the difference between natural things and human-made things? Give three examples of each. Are living and non-living things same? Give three examples of living and non-living things.

Ans.

b. Why do living things need food? How do plants prepare their food? Do animals make their own food? What do animals eat as food? How do animals get their food? Give an example of a touch-me-not plant.

Ans.

c. Is the pencil that is used for writing a living thing or non-living thing? Give few reasons for your answer.

Ans.

d. Do plants respond to changes around them? Explain with examples. Plants cannot move from one place to another, then why are plants living things?

Ans.
