Subject: SCIENCE

Date:05.11.2020

## SAFETY AND FIRST AID

1. Answer the following questions.

- a. What is first aid? Why should we keep the first aid box at a convenient place? List five things found in a first aid box. Name any two places where we must keep a first aid box. What do you understand by the term safety rules?

Ans.

- b. Write any five safety rules that we must follow on a moving vehicle.

Ans.

- c. What is an antiseptic substance? Why do we wash our hands before attending an injured person? What first aid should be given for a small cut?

Ans.

- d. Why do we wash the wound under running water? Whom should we take help from when we are giving first aid for the first time? What first aid should be given when there is a deep cut? What should we remember after giving first aid?

Ans.
