2. Put the correct punctuation in the given story.

Dana loves flowers. Her favourites are pansies, daisies, tulips and daffodils. Tulips and daffodils come up every spring and daisies come up late in the summer. These plants live for a long time. They come up year after year.

Dana loves the spring because she can go to the flower market to buy annuals.

The annuals last only one season, but they add a lot of colour to the garden.
