An evening spent alone at home

On a stormy evening, I was all alone at home as my mother took my grandmother to the doctor. I excitedly sat on the couch with delicious snacks to watch my favourite cartoon show. While I was enjoying my show, I suddenly heard the sound of footsteps. I was frightened, so I quickly jumped off the couch and hid behind it. My mother had warned me about strangers so I knew that they could be dangerous.

I was anxiously hiding there, when again came another very loud sound from my bedroom. Something went tumbling down on the floor. Then suddenly I got an idea. I hurriedly grabbed my hockey stick and switched off the lights. I tiptoed towards my room and quickly locked the door from outside.

Then I immediately ran out and called my neighbours for help. I narrated the story to them and boasted about how I bravely locked the thief in my bedroom. A crowd of people gathered near the door of my bedroom. They cautiously opened the door only to find a fluffy black cat inside the room.
