MY TRAIN RIDE (MODEL ANSWER)

I love to travel by trains. I went to my uncle and aunty`s house last
summer holiday. They live in Mumbai. I went to meet my cousins and
play with them. My mother, father, elder sister, younger brother and me
went for the train ride. On the ride we played ludo, chess and sing song.
My parents gave us aloo paratha with chutney, fruits, chola batura, juices
and much more. We got on the train early in the morning and next morning
we had reached Mumbai. On the train journey I saw fields, trees, villages,
animals. Many different people entered the train to sell food items. I had
a very good time on the train ride and can still remember all the things I saw
outside the window.
